

AU-EU PARTNERSHIP

#AUEU25
May 2025

The AU EU unique partnership is a demonstration of successful multilateral efforts. Africa's and Europe's political, economic and security interests are closely aligned. The Agenda for Sustainable Development 2030 and AU Agenda 2063 are our pole stars.

LOOKING BACK : KEY MOMENTS OVER 25 YEARS OF AU-EU PARTNERSHIP

Each summit marked new developments and steps toward a future molded to fit African and European aspirations.

PEACE, SECURITY & GOVERNANCE

The EU and AU work together for a just and peaceful future. In doing so, the EU and the AU combat extremism, and terrorism and preserving rule of law and good governance, notably thanks to:

Common Security and Defence
Policy (CSDP)

12/21

ongoing EU civilian
and military missions
in Africa

European Peace Facility (EPF).
Since mid-2021, the EU allocated

+ EUR 1 billion

to support the capacities of the armed
forces of African partners and the
military component of African-led
peace support operations

Intensifying
cooperation on

cybersecurity

First cyber resilience for
development hub launched in 2022

MIGRATION AND MOBILITY

Enhancing migration dialogues between the two continents, such as the Rabat Process, the Khartoum Process, and the Continent-to-Continent Migration and Mobility Dialogue, for the benefit of the people.

Meeting our commitment together

Developing Youth
Mobility for Africa

Strengthening legal
migration pathways

Improving migration
management

Fighting
